### **Cameron Hall**

Work will hopefully be complete by the 15<sup>th</sup> October 2010. The school is financing the building but an appeal will be set up for Former Pupils and Parents to buy equipment etc. for the Performing Arts Studio Theatre. (Sound systems lights etc.) "Buy a Brick" with your name on for a sum of money. £50 a brick was suggested but it was felt that there was also to be an opportunity to give less if they wished so "Donations will also be gratefully received" There will be an application form in a brochure describing the building and Appeal Fund which will go out to people and also a mail shot on the Data Base. Feed back from the committee was requested by Iain Kilpatrick when he issues us with a copy later in the spring.
