Facility Hire

Beaconhurst is situated in the picturesque county town of Bridge of Allan and is adjacent to the University of Stirling. It is the ideal location for corporate, social

and sporting events enjoying easy access from Edinburgh and Glasgow by motorway and from the North via the A9.

The school's facilities are available for hire at weekends, evenings and during school holidays by arrangement. A wide range of catering can be provided through our catering partners, Sodexo, details of which are available on request.

In addition to the usual classroom accommodation to be found in a school we have the following venues for hire:

Dining Hall – seating up to 120 people, it has wonderful views across to Stirling Castle with a full-width, decked outside terrace and viewing gallery over the Sports Hall

Sports Hall – an open, airy space covering four badminton courts, which can be carpeted and divided as required.

Cameron Hall – recently undergone £1million refurbishment and has retractable raked seating for approx. 100 people. Multi-use space can be used as small sports hall, theatre style, conferences or for private parties/functions. Hall has large projector, sound and screen capabilities. Studio style room also available for hire, suitable for small group fitness, dance or music classes.

Classroom Block – adjacent to the Dining Hall and Sports Hall complex, this offers four large classrooms, which are carpeted and equipped with ceiling mounted data projectors and interactive whiteboards.

All of the above venues have toilets, including disabled facilities. There is a lift linking the floors in the Dining Hall and Sports Hall complex. Recent events include a charity fashion show for 400 people, a fiftieth birthday party for 60 guests, a club AGM for 100 delegates, 50th wedding anniversary party for 70 guests with meal and dancing and a children's birthday party for 25 children and parents.
